

## PASTOR'S MESSAGE

On June 1<sup>st</sup> & 2<sup>nd</sup>, the SD Synod - ELCA met in Sioux Falls for the 2018 Synod Assembly. This year, our Synod actually met our budget. We could give support to all the Partner ministries and missions that we had budgeted. Of all the money given to the SD Synod, 45% is sent to the National Office for national and international missions. 55% is kept here in SD. Of those funds kept in SD, 26% is used for staff salaries and office expense and 74% is used for missions and ministries associated with the SD Synod. Any funds given directly for World Hunger or a certain mission goes directly to those ministries.

One of the big questions that was brought before the convention was whether or not to continue with electing the bishop for up to two 6-year terms or to get rid of the term limits. This resolution was defeated.

Lutheran Outdoors reported that NeSoDak Bible Camp at Waubay could pay for the purchase of land for the beach front property at the camp.

The SD Synod continues to be able to help pay off seminary loans for those pastors serving for 5 years in the SD Synod.

Here are some statistics of the ELCA that might be of interest:

- The ELCA has about 3, 863,133 members, 9,464 congregations, and 16,543 ordained pastors. (24% of the clergy are women.)
- The ELCA has 296 elementary schools, 14 high schools, 26 colleges & universities, 8 seminaries, and 145 camps & retreat centers.
- There are 65 synods in the United States.
- The SD Synod has 212 congregations, and about 340 rostered leaders, and over 120,000 lay members.
- Of the 9,464 ELCA churches in America, about 2500 are not being served by a pastor or a lay person. Because of the clergy shortage, 12 seminarians are serving churches in South Dakota. 37 Synods have a program of training lay people to serve congregations, either part-time or full-time.
- The majority of ELCA churches have 50 people or less in attendance on any given Sunday. Less than 33% of Lutherans attend worship each week. That means that more than 76% of Lutherans do not worship at all during the week or on a Sunday. Although this sounds really bad for Lutherans, it is actually the average for all churches in America.
- In the New York Synod of the ELCA, 25 different languages are used in worship on Sundays.
- The average Lutheran gives about 1.9% of their income to charity. The Biblical example of giving is 10%.

Warmest regards,

Pastor Wayne

### What is Electronic, or E-Giving?

E-Giving is safe and convenient. You receive 100% of the credit on your giving statements. You determine the amount, the frequency and the dates ~ you stay in control!

## More ways to Give at FL

### In Person

Place checks or cash in an offering envelope and drop it in the offering plate as it goes by.

### Text

Set up a one time or recurring donation by texting 605-250-4112.

### ...Auto-Withdrawal

*There are E-Giving cards located at the church entrance. If you wish to use them, please place one in the offering plate during worship service.*

### Did you know that you can skip the tax?

If you are 70 ½ or older, there is a way to take your required minimum distribution (RMD), skip the tax and make a meaningful gift to support our church at either First Lutheran Church or St. Jacob’s Church this year. It is called the IRA Charitable Rollover. This strategy will reduce your taxable income, even if you do not itemize. You want your life to make a difference. By giving to the church these RMD dollars, you can satisfy the IRS requirement, skip the tax and support your church.

Please call or email the church office for more information on how to get started.

### Your Money Matters

The members of the FL Finance Board meet monthly to review the inflow and outflow of money. FLC is currently meeting all obligations. For the months of January through May, 2018, FLC had \$2,583, or 3%, **more** expenses than the budget predicted. However, FLC had 16% more giving than the budget predicted. Some of the increase is from members, like you, donating by using the E-Giving options as recurring gifts. You can see in the chart below, May ’17 to May ’18, we have increased the number of donors, the number of donated dollars, and the dollars donated with E-Giving. This is a positive trend and we thank you for your generosity! We strive to continue to earn your trust and be good stewards of the church resources.

As we begin the summer months, our attendance typically drops and our giving goes down. Please remember us in the summer months so we do not have to borrow. Last year, at this time, we borrowed \$12,000 to cover monthly costs. We successfully paid those back. Summer is always a financial struggle due to vacations and absences.

Thank you to our entire congregation for the financial support, the gifts of time, labor and talent, and fellowship. Our church’s financial stability and future stability is dependent upon each of us!
